

COFFEE TOUR

K a h a w a
S h a m b a

Introduction

Kahawa Shamba is a community-based project that aims to provide coffee growers an alternative source of income, in this case via tourism. Kahawa Shamba, meaning coffee farm in Swahili, is a base for activities and also offers very interesting excursions for tourists.

Coffee Tour

The tourists are invited to visit the shamba, where they will become familiar with the whole process of coffee production. They will also enjoy a local prepared lunch and of course a cup of locally produced coffee will be offered.

Activities

Set on the slopes of Kilimanjaro, the tourists will visit characteristic coffee farms which belong to the Primary Cooperative Societies of KNCU. The farmers themselves will be guiding the tourists. The main activities during the coffee tour are:

- Local prepared lunch at the shamba
- Explanation about coffee, while visiting the plantation
- Coffee berry picking by the tourists
- Explanation about organic treatment and Fair Trade
- Processing of the coffee berries (pulping)
- Coffee drinking at the shamba

Book / Contact

Experiencing the coffee tour is an excellent opportunity to meet local people, to learn about coffee and to experience real life at the coffee farm. With the distinct Chagga theme Kahawa Shamba is ideal for those interested in culture as well as active types that want to acclimatize before Kilimanjaro, or as part of a longer itinerary.
